Don't miss this **READIOACTIVE**  event!

Reading is **ELECTRIFYING**  and we have filled the library with lots of great titles to capture our students' interests and **POWER UP**  their imaginations!

Every book you purchase helps us continue to develop our library by purchasing current and relevant books that supplement the curriculum, books that grab student's interest, and repair or replace worn and out of date books.

After you've **POWERED UP** at the Book Fair, join us **Thursday March 5th**
